FEEDLOT REVIEW COMMITTEE (FRC)

Agenda

April 22, 2020 at 1:00 p.m.
WebEx Meeting

In response to the COVID-19 pandemic, and pursuant to Minnesota Statute Chapter 12 relating to Emergency Management, Governor Walz has declared a state of emergency. In response to the state of emergency and in accordance with Minnesota Statute Chapter 13D.021, Feedlot Review Committee members may participate by telephone or other electronic means. The meeting will be recorded and held via WebEx to conform with MDH and CDC guidelines to minimize gatherings.

This meeting is subject to change. Please sign up for automatic updates for this meeting at http://stearnscountymn.iqm2.com/Citizens/Default.aspx. Call the Department for assistance.

1. Call the meeting to order / Introductions

2. Oath of Office for all new members

3. Code of Ethics for all members

4. Review/Approve minutes from the November 27, 2019 meeting

5. Review/Approve minutes from the December 18, 2019 meeting

6. Review the January 16, 2020 Planning Commission recommendation and the January 28, 2020 County Board decision on the following application:
   a) DM Dingmann Farms, LLC – Collegeville Township (P-015035)
      o Section 4.4, 4.6, 4.8, 4.14, 6.7, 7.8 and 9.3 of Stearns County Land Use and Zoning Ordinance #439 requires a CUP to construct a 62’x312’ total confinement barn with a 62’x242’x12’ concrete under barn liquid manure storage area (LMSA) and an attached 36’x60’ covered feed storage shed. And a 100’x300’ feed storage pad/area.

7. Review the following application: (This item does not need to go to Planning Commission and does not require a vote by FRC.)
a) John and Kristie Schiffler – Krain Township (F-000672)
Section 6.7.3 C of Stearns County Land Use and Zoning Ordinance #439 requires a FRC review to construct the following:
  o 24,100 sq ft permanent stockpile pad with 4 foot walls. (#07)
  o 386’x156’x11.5’ liquid manure storage area (LMSA). (#06)
  o 170’x230’ slatted floor barn with a 10’x135’ under barn LMSA (125’ of the LMSA is 4’ deep and 10’ is 8’ deep). (#08 and #11)
  o An existing unpermitted 40’x114’ partial confinement barn with a 30’x114’ open lot will be permitted following an approved variance or animals will need to be removed. (#12)

8. Other discussion item - Feedlot annual report (Becky)

9. Adjourn

10. Collect completed mileage/per diem forms
